

Jana Hollingsworth's Psychic Bootcamp!

Develop Your Psychic Abilities to Move to Higher Levels & Unleash Your Inner Wisdom

- What is your life purpose?
- How can you tap into your psychic powers?
- How will these insights assist you in improving your relationships and career?
- How can you use these psychic abilities to help improve your day-to-day life?

This one day workshop sets a powerful intention to assist you in developing these skills to enhance the quality of your life as well as your personal evolution.

- Learn how to broaden your psychic abilities
- Discover the myriad of ways that you are receiving these messages
- Experience doing psychic readings for others
- Learn how to do psychometry (psychic reading holding an object)
- Release your fears of being able to communicate with your higher self
- Learn which of your senses is the main way you receive messages (are you clairaudient (hear things), clairvoyant (see things) or maybe even clairsentient (feel things).
- Clearly distinguish your wise inner voice that knows what' s best for you.
