

You are invited to attend
a Workshop by
Jana Holingsworth:

Awaken the power of your inner psychic!

Go Beyond Boundaries & Experience The Ability to Unleash Your Inner Wisdom

- What is your life purpose?
- How can you tap into your psychic powers?
- Do you understand the form in which your insights are coming to you?
- How can you use these insights to help you in your life?

This workshop sets a powerful intention to assist you in developing these skills to enhance the quality of your life as well as your personal evolution.

- Learn how to deepen your psychic abilities
- Learn how to incorporate intuitive messages into your daily life
- Discover the myriad of ways that you are receiving these messages
- Experience doing psychic readings for others
- Learn how to do psychometry (psychic reading holding an object)
- Release your fears of being able to communicate with your higher self
- Learn which of your senses is the main way you receive messages (are you clairaudient (hear things), clairvoyant (see things) or maybe even clairsentient (feel things).
- Clearly distinguish your wise inner voice that knows what's best for you.

Date: Sunday, March 18, 2007
